

WHEEL TRIMMER

LIGHTWEIGHT AND VERSATILE, THE TRIM-A-LAWN WHEEL TRIMMER CAN BE USED AS A MOWER, TRIMMER OR BRUSH CUTTER. THIS NIMBLE MACHINE MOWS AND TRIMS WITH EASE. IT SAVES TIME BY CUTTING LARGER AREAS MUCH FASTER THAN A STRING TRIMMER AND LEAVING A MUCH NICER LOOKING CUT. THE WHEEL TRIMMER ALSO SAVES LABOR TIME AND FATIGUE AS YOUR TEAM WILL NOT HAVE TO LUG A HEAVY TRIMMER AROUND ALL DAY. THE WHEEL TRIMMER WILL CUT RIGHT UP TO ANY BUILDING, OBSTRUCTION, TREE, FENCE OR SIGN FOR A SMOOTH AND EVEN PROFESSIONAL LOOKING CUT. THE WHEEL TRIMMER LEAVES ONLY A FINELY TRIMMED SURFACE SO THERE IS NO SCALPED AREA THAT IS A BREEDING GROUND FOR WEEDS. REMOVE THE FRONT WHEELS AND THE OPEN CUTTING AREA WILL CLEAR LIGHT BRUSH OR TALL GRASS. CUTTING THE BASE MAKES REMOVAL EASY AND ALSO CUTS YOUR LABOR COSTS. INEXPENSIVE TO BUY AND OPERATE, THE WHEEL TRIMMER WILL INCREASE PRODUCTIVITY AND IMPROVE THE QUALITY OF ANY MOWED AREA.

TRIM-A-LAWN TRIMMER
